Product Description

Create a breathtaking moment with this **ruby and diamond convertible heart 14K white gold necklace**. Delightfully feminine, four open 14K white gold hearts take center stage in this dainty design. Alternating hearts feature either rich red pavé-set round Thai rubies (approx. 1.5mm, .85ct) or shimmering round diamonds (approx. .23ct). The hearts can be worn in an extended row or folded together to create a clustered clover, which is held in place by hidden magnets.

A fine 14K white gold cable chain necklace completes the design beautifully. It fastens securely using a spring ring clasp. Other details about this **14K diamond and ruby necklace** include:

- Approx. 1.08ct
- Hearts open measure approx. 7/16" L x 2" W
- Hearts closed measure approx. 13/16" L x 13/16" W
- Necklace measures approx. 18" L x 1/16" W
- Stamped 14K
- Made in the USA
- Boxed
